## About AirMini

AirMini is the world's smallest CPAP device† that's packed with our latest technologies, making it suitable for regular therapy at home and while you're away. With the same established therapy algorithms as our best-selling bedside devices, you'll never have to choose between freedom and performance again.

- Three therapy modes: AutoSet™, AutoSet for Her and CPAP
- HumidX™ waterless humidification for portable comfort\*\*
- AutoRamp™ with sleep onset detection makes the beginning of each therapy session more comfortable
- Expiratory pressure relief (EPR™) reduces pressure during exhalation
- Dedicated AirMini App for easy setup and ongoing support
- Bluetooth™ connectivity for remote therapy control from your smart device via AirMini App
- Designed and optimised for AirFit™ 30, AirTouch™ 20, AirFit 20 and AirFit P10 for AirMini masks.

\*sleepvantage membership required. Members receive an extra 3 years warranty in addition to the 2-year manufacturer's warranty

\*\*Currently available for all AirMini compatible masks excluding AirFit F30.
